

Restocking Policy

Electronic Parts:

- Parts shipped less than three months prior to return request may be returned for credit or replacement.
- Dealers must request an RMA number before returning parts.
- A copy of the original invoice must accompany the returned parts.
- Parts will be inspected and tested.
- Parts received in working order and good visual saleable condition will be issued full credit minus a 15% restocking fee.
- Parts received in working order but visually cannot be sold or used as new, will be issued a credit of 50%.
- Parts received in non-working order will not receive a credit. Non-working parts will be scrapped unless the customer requests, in writing, that the parts be returned to the customer. DHL or freight charges for non-working parts returned in this manner will be the responsibility of the customer.

Non-Electronic Parts:

- Parts shipped within six months prior to return request may be returned.
- Dealers must request an RMA number before returning parts.
- A copy of the original invoice must accompany the returned parts.
- Parts will be inspected.
- Parts received in working order and good visual saleable condition will be issued full credit minus a 15% restocking fee.
- Parts received in working order but visually cannot be sold or used as new, will be issued a credit of 50%.
- Parts received in non-working order will not receive a credit. Non-working parts will be scrapped unless the customer requests, in writing, that the parts be returned to the customer. DHL or freight charges for non-working parts returned in this manner will be the responsibility of the customer.

This serves as a replacement for the Apollo Pump.

AQUATIC CARE PRODUCTS

**Part Number: Vision® Sanitizing System -**

01512-261

Universal Cartridge**Description:**

Vision is an excellent alternative to conventional sanitizers and offers clean, clear water without the harsh chemical smell, red eyes, bleached clothing and dry skin. Its silver catalyst technology kills 99.96% of pathogenic bacteria on contact. Vision is easy to install and lasts a full six months. It now features a convenient "Installed/Replace" Reminder Ring. Vision can be installed on spas with the following Ozone equipped Water Management Systems: Crystal Pure (Models 1989 - 1996), Crystal Zone (Models 1992 - Current Year), Clear Zone (Models 1998 to Current Year), UltraPure (Models 1996 to Current Year)

AQUATIC CARE PRODUCTS

Part Number: Spa Wand (Blue)
01512-3090

Description:

The Polaris Spa Wand is a simple hand-cleaning device for pools and spas. It is perfect for quick touch-up cleaning on spas, pool steps, swimouts, and other small bodies of water. Just a few easy hand-powered strokes and debris is sucked in.

Part Number: Spa Wand Pro (Yellow)
01512-3091

Description:

The Spa Wand Pro is the preferred handheld vacuum for spa & pool maintenance professionals. The body is manufactured out of UV Resistant Structron Fiberglass which provides the increased durability required for years of dependable service.

Coated in Timberlite for all equipment doors.

CHECK VALVES

Part Number: 1/4" Check Valve
01510-224

Description:

Part Number: Pop Check Valve Manifold
01510-398

Description:

Part Number: 1/2" Check Valve (S x S)
01522-0063

Description:

Part Number: Praher 3 1/2 Lb. Check
01522-06 Valve (Gray)

Description:

Part Number: 1/2 Lb. x 1/2" Check Valve
01522-08

Description:
(To be used if 01522-23 should fail)

CHECK VALVES

Part Number: Pop Check Valve
01522-11

Description:
This part can be used to replace the jacuzzi pop check valve.

Part Number: Jacuzzi Pop Check with
Adapter
01522-23

Description:

Part Number: Praher 1/2 Lb. Check Valve
(White)
01522-27

Description:

Part Number: 2" Swing Check Valve for
AFS
01522-61

Description:
Used only on AFS from mid 2007 early 2008

Part Number: 3" Check Valve
01522-80

Description:
Used on 2003-early 2008 Aquatic Fitness Systems. This check valve is spring loaded for improved reliability.

COVER LIFTS

Part Number: 01523-0005
**E-Z Lifter Tri-fold Brochure
(Pack of 50)**

Description:

This is a Tri-Fold full color brochure designed to help dealers promote the benefits of the E-Z Lifter.

Part Number: 03100-00
**E-Z Lifter Spa Cover Lift
(Complete Set)**

Description:

The E-Z Lifter makes spa cover removal and replacement a snap! One easy motion lifts and stores your spa cover in an upright position behind the spa while saving on spa cover wear and tear. The E-Z Lifter installs easily.

Part Number: 03100-05
**12x 20" Stainless Steel
Jackchain**

Description:

This contains 1 Stainless Steel chain 20" long

Part Number: 03100-08
**E-Z Lifter X-Large for
Sarena/Amore Bay & AFS**

Description:

E-Z Lifter designed to fit the Sarena Bay, Amore Bay, and Aquatic Fitness Systems. The E-Z Lifter makes spa cover removal and replacement a snap™ One easy motion lifts and stores your spa cover in an upright position behind the spa while saving on spa cover wear and tear. The E-Z Lifter installs easily and requires only 18" of clearance behind the spa.

Part Number: 03100-11
**E-Z Lifter Universal
Mounting Kit**

Description:

The Universal Mounting Kit allows the E-Z Lifter Spa Cover Lift to work with round, oval and other uniquely shaped spas. This adapter kit uses the same durable components found on the E-Z Lifter.

COVER LIFTS

Button color: dark teal

Background color: subtle teal waves

Recommended replacements: 01510-250, 01560-122 and 01560-123

**Part Number: Inlay Ultralife (Teal)**

01510-254

Description:

('96 Decor Ultra Pure)

Button color: dark teal

Background color: subtle teal waves

Recommended replacements: 01510-253, 01510-257 and 01510-258

**Part Number: Inlay Decor Inlay (Black)**

01510-258

Description:

('96 Decor Ultra Pure, 2 button)

Button color: black

Background color: dark grey waves

Recommended replacements: 01510-253, 01510-254 and 01510-257

UPPER CONTROLS & INLAYS

Part Number: Inlay (Blue)

01510-259

Description:

('96 Aurora Only, One button)

Button color: dark blue grey

Background color: darker greyish blue waves

Recommended replacement: 01510-260

Part Number: D1SL Upper Control Panel

01560-152

Description:

(Early '97 to Mid '99) Recommended Inlay: 01560-165

Part Number: 1 Jet/2 Jet Upper Control

01560-117

Description:

This 1 jet upper control panel was used in 1992 and 1993 "Ultra" model Dimension One Spas.

Inlay part number 01560-126 (Blue) or 01560-127 (Teal)

Part Number: Light Bulbs, Back Up for

01510-282

Balboa D1S

Description:

Part Number: D1S1 or D1S2 Upper

01560-150

Control Panel

Description:

(Scrolling Message Center Early '97 to Mid '99)

For D1S1 use Inlays: 01560-250 (Ocean Wave), 01560-251 (Black) or 01560-252 (Teal)

For D1S2 use Inlays: 01560-269 (Blue)

UPPER CONTROLS & INLAYS

**Part Number: Inlay (Black)**

01560-251

Description:

(Scrolling Message Center - March '98 to Mid '99, 6 Button)

Button color: black

Background color: dark grey waves

Recommended replacements: 01560-252 and 01560-270

**Part Number: Inlay (Teal)**

01560-252

Description:

(Scrolling Message Center - March '98 to Mid '99, 6 Button)

Button color: dark teal

Background color: vibrant teal waves

Recommended replacements: 01560-251 and 01560-270

**Part Number: Inlay (Blue)**

01560-269

Description:

(Scrolling Message Center. Early '97 to Mid '99, 7 Button)

Button color: dark blue

Background color: dark blue-black/light grey marble

Recommended replacements: 01560-155, 01560-157 and 01560-158

WOOD CARE PRODUCTS

Part Number: Stain Formula for Wood
STAINFORMULA **Products**

Description:

Dimension One Spas currently has wood stain available in colors to match the EnviroTect or Wood used on your spa. We no longer offer stain for sale.

To ensure that your equipment continues to look great, Sherwin-Williams Paints has provided the formulas for the Dimension One Spas stains. These formulas are available by clicking on the word STAINFORMULA in the parts listing.

You can also find the stain formulas and other helpful routine spa maintenance information in the DOWNLOADS section under Customer Support.

Please note that the stain may not match the color of your current cabinet due to age and weathering.

Chairman II (with LFX)		
	01562-39AE	3.6HP 1Spd Sta-Rite 12:00 - Export
	01781-27	Proportional FastFlo Heater
	01710-1020E	P.C. Board, Liquid FX, MSPA-MP-D18-CE
	01710-131	3/4" Flow Switch Only
	01561-00-A	75 Sq Ft Filter for EZ Lock Filter
	01710-1026	M-Drive Upper Control Panel
	01781-21E	Ballast Assembly '99 to Current - Export
	01560-88E	Massage Sequencer Transformer - Export
	01560-79	Temperature Sensor, Gecko, SSPA/MSPA-MP
	01560-1002	High Limit Sensor, Gecko, MSPA-MP
	01510-223	Mazzei Injector (Black)
	01560-1003E	MSPA-MP-NE Transformer - Export
	01710-1200	Massage Sequencer P.C. Board, DJS-2-D12
	01710-115A	Replacement Solenoid Valve Assembly with Unions
	01781-16-A	Ozone Generator Ultra Pure/Crystal Zone
	01710-1017	M-Drive Sequencer Upper Control Panel
	01560-0003	M-Drive Massage Sequencer Inlay (Blue)
	01560-325	Secondary Control for Chairman II (Gecko)
	01560-354	Inlay (Marble) with icon
	01512-84	50HZ 88W Circulation Pump (Laing)
	01536-0004	Liquid FX Dynamic (24) L.E.D. '06-current
	01520-0029	Liquid FX Junction Box '06-current
	01530-0066	Liquid FX Slave L.E.D. '06-current
	01531-0006	Liquid FX Silicone Emitter
	01530-0069	Skirt Lighting 3 L.E.D. Chain
	01530-0072	Skirt Lighting Control Box
	01530-0071	Skirt Lighting ON/OFF Switch
	01530-0073	Skirt Lighting Photo Sensor Assembly
	01530-0070	Skirt Lighting Power Cord
